

# **Code of Conduct for Employees in Schools**

**St Mary Abbots  
Church of England  
Primary School**

## 1 INTRODUCTION

The governing body is required to set out a Code of Conduct for all school employees. The following code has been negotiated with trade unions and is recommended for adoption by the governing body.

In addition to this policy, all staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

Employees should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.

## 2 PURPOSE, SCOPE AND PRINCIPLES

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the pupils/students within the school. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

This Code of Conduct applies to:

- all staff who are employed by the school, including the Headteacher;
- all staff in units or bases that are attached to the school.

The Code of Conduct does not apply to:

- peripatetic staff who are centrally employed by the LA;
- schools meals staff employed by an external contractor;
- employees of external contractors and providers of services (e.g. contract cleaners).

(Such staff are covered by the relevant Code of Conduct of their employing body)

## 3 SETTING AN EXAMPLE

- 3.1 All staff who work in schools set examples of behaviour and conduct which can be copied by pupils/students. Staff must therefore avoid using inappropriate or offensive language at all times.
- 3.2 All staff must, therefore, demonstrate high standards of conduct in order to encourage our pupils/students to do the same.
- 3.3 All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.
- 3.4 This Code helps all staff to understand what behaviour is and is not acceptable.

## **4 SAFEGUARDING PUPILS/STUDENTS**

4.1 Staff have a duty to safeguard pupils/students from:

- physical abuse
- sexual abuse
- emotional abuse
- neglect

4.2 The duty to safeguard pupils/students includes the duty to report concerns about a pupil/student to the school's Designated Senior Person (DSP) for Child Protection also referred to as the Designated Safeguarding Teacher (DST)

4.3 The school's DSL is Mrs Nicola Doyle (Headteacher) & the school's Deputy DSL is Miss Sally Keck (Deputy Headteacher)

4.4 Staff are provided with personal copies of the school's Child Protection Policy and together with the Whistleblowing Procedure all staff must be familiar with both these documents.

4.5 Staff must not seriously demean or undermine pupils, their parents or carers, or colleagues.

4.6 Staff must take reasonable care of pupils/students under their supervision with the aim of ensuring their safety and welfare.

## **5 PUPIL/STUDENT DEVELOPMENT**

5.1 Staff must comply with school policies and procedures that support the well-being and development of pupils/students.

5.2 Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils/students.

5.3 Staff must follow reasonable instructions that support the development of pupils/students.

## **6 HONESTY AND INTEGRITY**

6.1 Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

6.2 All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept , or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing procedure for schools.

6.3 Gifts from suppliers or associates of the school must be declared to the Headteacher, with the exception of "one off" token gifts from students or parents. Personal gifts from individual members of staff to students are inappropriate and could be misinterpreted.

## 7 CONDUCT OUTSIDE WORK

- 7.1 Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee's own reputation or the reputation of other members of the school community.
- 7.2 In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.
- 7.3 Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff **should not** be texting messages to parents outside of school unless with good reason. This is not to be considered 'good practice.'
- 7.4 Staff may undertake work outside school, either paid or voluntary, provided that it does **not conflict** with the interests of the school nor be to a level which may **contravene the working time regulations** or affect an individual's work performance.
- 7.5 Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.

## 8 CONFIDENTIALITY

- 8.1 Where staff have access to confidential information about pupils/students or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil/student.
- 8.2 All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil/student is bullied by another pupil/student (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupil's/student's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.
- 8.3 However, staff have an obligation to share with their manager or the school's Designated Senior Person any information which gives rise to concern about the safety or welfare of a pupil/student. Staff must **never** promise a pupil/student that they will not act on information that they are told by the pupil/student. (See the school's Child Protection/Safeguarding Policy).

## 9 Use of Mobile phones

- 9.1 Mobile phones have a place in settings, especially those without a landline, and on outings. They are often the only means of contact available in settings and can be helpful in ensuring children are kept safe. To protect children we will:
  - 9.2 Only use mobile phones appropriately and ensure staff have a clear understanding of what constitutes misuse.
  - 9.3 Ensure the use of a mobile phone does not detract from the quality of supervision and care of children
  - 9.4 Ensure all mobile phone use is open to scrutiny

- 9.5 Provide secure storage facilities for the work (Labelled) phone
- 9.6 Store mobile phones whilst staff are on duty if required
- 9.7 Ensure any staff known or seen to be using a mobile phone is aware that this can lead to them being disciplined.
- 9.8 Prohibit staff from using their mobile phones to take pictures of the children attending the setting
- 9.9 Ask visitors to turn their mobile phones off or to store them in the office before visiting classrooms.
10. Ensure that the use of mobile phones on outings is included as part of the risk assessment: for example, how to keep personal numbers that may be stored on a phone safe.

## **Cameras: photography and images**

The vast majority of people who take or view photographs or videos of children do so for entirely innocent, understandable and acceptable reasons. Sadly, some people abuse children through taking or using images, so we must ensure that we have some safeguards in place.

To protect children we will:

- Obtain parents' and carers' consent for photographs to be taken or published (for example, on our website or in newspapers or publications)
- Use only the child's first name with an image
- Ensure the school's designated cameras are the only used in school
- Images taken on the school cameras will not be e-mailed as it may not be secure
- Ensure parents and carers are not permitted to take photographs of the children in the school unless prior consent has been obtained by the Headteacher for example for a special event, such as a Christmas play – See Photography and Video Policy
- Ensure that if photographs or videos are taken of children in school, the school's own equipment is used. (Unless for the School Christmas Plays & the Year 6 Production).
- Ensure all cameras are open to scrutiny

## **10 DISCIPLINARY ACTION**

- 10.1 All staff need to recognise that failure to meet these standards of behaviour and conduct may result in disciplinary action, including dismissal.
