

Dear Parent/Carer

Autumn Term Program After School Clubs St Mary Abbots 2018-2019.

I hope you have all enjoyed your summer holiday. As the new school year is about to start, I would like to inform you of the after school clubs that will be running this term.

The clubs will start the week beginning the **17th of September** and finish on the **14th of December**. This is a total of 12 weeks (except for the clubs on Monday which run for 11 weeks as there is one inset day).

Hopefully you can find some time to sit down with you child(ren) and look at the different options and decide together which club(s) your child(ren) would like to join.

We are very fortunate to have Father Jonathan back to run the Chess club. We will also have some of our popular clubs running along side several exciting new ones.

You can **enrol** your child(ren) on the first day back from **5pm via School Gateway (4th of September)** for the following clubs: Art, Multi Sports, KS2 Football, KS1 Football, Netball, Boot camp, Gymnastics, Chess, Lego and Cookery with Patty (Friday) and Dodgeball.

Please see the booking details on the program below for the other clubs for which enrollment is open already.

Please find below information about our exciting new clubs.

1. Cooking Club run by Kids En Cuisine

"With Kids en cuisine your children will share a unique and a fun-filled experience at the kitchen. They will be real little cooks. Kids en cuisine believes in the importance of learning the benefits of a healthy and balanced diet from a very early age. Dealing with us is the perfect way for your children to learn about healthy food and awake your little cooks' senses by playing with various textures, flavours and scents. We put on our aprons, up our sleeves and work with various ingredients and utensils to make a final dish with your budding cooks. Kids en cuisine will allow your children to use various kitchen items (whips, food processors and scales) to help them develop their fine motor skills and expand their vocabulary. They will also be invited to work in teams, recognise different measurements used in the kitchen, try new flavors and follow instructions in a recipe to ensure to make it successful. Every week, they will make a different dish; we will also do some healthy baking and add a French touch in our recipes. If you need more information, please contact Florence, the founder at info@kidsencuisine.com."

These are the menus your child will be making:

19th September = Vegan sushi	26th September = Chicken Goujon
3rd of October = Coconut balls	10th of October = Stuffed vegetables
17th October = Vegetable noodles	22nd October : HALF TERM
31st October = Bruschetta	7th of November = French lentils
14th of November = Vegetable crumble	21st of November = Home made gnocchis
28th of November = Plancha (Meat and vegetables)	5th of December = Quinoa salad
12th of December = Christmas biscuits	

2. Musical Theatre Club by Fresh Arts Theatre School

During this class the children play fun confidence building games, learn songs from musical theatre and other cultures and take part in improvisation and role-play.

3. Boot Camp by Shooting Starz

Boot camp will be fun circuit training in which the kids will record and measure their general fitness progressions over the term. Their will be activities based on improving Aerobic and Anaerobic fitness, strength, speed, agility, power and more this will also assist with the strength & conditioning of the young people.

4. Street Dance by Society Dance Company

Giving children the opportunity to express themselves through dance.

Erduan Khaferi and a collection of professional enthusiastic individuals who work together to create a society passionate about all forms of Street and Hip Hop dance, founded Society Dance Academy. Our goal is to give young people a creative platform to be inspired using Street & Hip Hop dance as a key tool to inspire, motivate and educate young people.

Being nominated for UK Largest Diversity award and having gained national and international experience in choreographing and performing for major artists such as Lil Wayne, T-Pain and have taught at camps and worked with organisations and councils all over Europe, competing and performed in numerous events such as all London O2 arena's, Saddlers Wells, London Copper box and many more during the last past 7 years, therefore we have developed a mature skill set for teaching all-levels and ages.

Our aim and vision is to inspire & motivate young people using dance as tool to provide a creative platform for all to unite and help build positive & healthy communities.

Each class will run by our professional and highly experienced Mentor/Choreographer which we will focus on developing technique, Musicality, co-ordination and helping young people build their creativity and confidence but most importantly having fun while doing so.
